

2019-2020

# PTA ELECTIONS

## Join the board next year!

The PS 58 PTA nominating committee invites all parents to consider running for an elected office on the 2019-2020 PTA. Since its early days, PS58 has had extremely high levels of parent involvement. We are asking you to continue this trend by volunteering to fill these positions. Volunteering is a great way to contribute to the PS58 Community.

See below a list of positions and candidates
