Summer Greetings to all PS 58 Families!

We are pleased to share Fall classes for 2025. You will see old favorites along with some exciting new additions. Enrichment registration opens on Monday, August 4 at 10:00am; aftercare registration opens on Monday, August 11. The registration site is <http://www.ps58brooklyn.org/afterschool/registration/>. Classes begin on Monday, September 8 and end on Friday, December 19, a period of 12 to 13 classes, depending on the day of the week.

Carroll Kids is YOUR afterschool program. We are part of the PS 58 PTA, and try to serve the needs of our families by providing high-quality enrichment classes and aftercare programming. As many as three-quarters of the school population use our services! Our program also provides recess counselors and supplies to help facilitate games and fun for all grades during the school day.

Students enrolled in enrichment classes are dismissed directly from their classrooms to Carroll Kids (which is why it is critical that you update your students' classroom information in Sawyer as soon as it's available). Enrichment students are escorted to the Auditorium to meet up with their instructors. All enrichment classes begin with a healthy snack. Most classes run for 90 minutes ending at 4pm. A few classes have multiple sessions like Guitar, Piano, Kung Fu and Tennis. More detail can be found in the class description. Enrichment class students may also enroll in Carroll Kids "late partial" aftercare if families need coverage until last pick-up at 6:30pm. Details on this concurrent program are available on <https://www.ps58brooklyn.org/afterschool/carroll-kids/>. Registration for aftercare opens on Monday, August 11 at 10:00am.

Be advised that some of our most popular classes fill up in the first minute after registration opens. Still, we are offering more than 90 classes this Fall so everyone can find a class that fits his/her interests and schedules. Class pricing is based on instructor fees, costs of administration and affording a small grant to the PTA. Many of our classes are taught by PS58 staff, and these classes are among our most popular as well as affordable. Other classes are taught by outside vendors and can be more expensive but allow us to offer a wider variety of classes. Financial aid is available to eligible families. More details can be found on the website.

Thank you!

Carolyn Rogalsky

Registration Tips

Afterschool Registration Website: <http://www.ps58brooklyn.org/afterschool/registration/>

1. Please only have one person from your family register. Some families are using multiple devices and people to access the registration site. We need to slow the traffic to ensure a better experience for everyone. Please be patient and don't refresh constantly. Add your child to waiting lists if you don't get a spot right away. There is usually movement from the waitlist on the very first day!

2. We use Sawyer for our online registration software. Please go online in advance of enrichment class registration to create an account for your family. There is an annual per family fee of \$25 which must be paid prior to registrations. [Click here](#) to purchase a membership for the 2025 - 2026 school year.

3. Check your login email and password in advance of registration. Take the time to reset your password if necessary.

4. Please only use one Sawyer account to register your family. It creates ongoing problems for us if students have more than one account. We will delete redundant accounts.

5. Sawyer uses a queue system much like Ticketmaster. This keeps the system from crashing. Please be patient.

6. Once registration opens, if you are interested in a class that you think might fill up quickly, put that class in your cart right away! When you add a class to your cart, your spot is held for up to 10 minutes. During that time, no one else can take that spot. But if you remove it from your cart or if you take more than 10 minutes to check out, the spot will re-open to anyone who adds it to their cart. **Please be sure to purchase before your 10-minute window closes.** The clock starts from the minute you add the first class to the cart.

7. If a class is full, join the waitlist. Spots often open up. When that happens you will automatically be entered from the waiting list, but you're not obliged to take it. If you don't want the spot, just let us know, and you will be fully refunded. If you don't get admitted to a class, you will get priority to register for the next session, provided the class is offered again.

8. DO NOT sign up for multiple classes on one day with the intention of dropping them after you make up your mind. Let's be kind and make sure everyone has fair access.

9. Please check to ensure that your child(ren)'s grade, classroom, medical info and pick up info are correct in your Sawyer account.

10. Please check your schedule using the Sawyer calendar when you are done with registration. It's the best way to confirm your class and aftercare registrations. You can find it by [clicking here](#).

Drop & Refund Policy

We understand that plans can change, but please read our refund policy carefully before registering. Our policies are designed to keep things fair for all families and to ensure classes are filled efficiently.

August 4 - 11:

Families may drop a class for a refund, minus a \$25 administrative fee. To request a drop, please email carrollkids@ps58pta.org.

August 12 - September 7:

Families may drop a class for a refund, minus a \$150 fee. As classes become harder to fill, this higher fee helps to offset the cost of an empty seat. Please consider your schedule carefully during registration.

September 8 - 14:

Families may drop a class for a 50% refund of the class fee. Requests must be sent to carrollkids@ps58pta.org.

September 15 and beyond:

No refunds or credits will be issued for dropped classes.

We are firm on our refund deadlines to keep the process fair and sustainable. Dropping a class later in the registration period can prevent another child from participating. Please be considerate when selecting your classes—thank you!

Extended Enrichment Program

(2:25pm to 5:30pm includes ENRICHMENT CLASS + Aftercare)

We're excited to introduce a new hybrid offering within our afterschool program that combines enrichment classes with aftercare. This new "Extended Enrichment" model helps us make better use of our limited classroom space—particularly for in-demand sports and movement classes—and provides students with both creative engagement and supervised playtime in one seamless experience. **Extended Enrichment will cover 3 hours of supervision per day, from the end of the school day until 5:30pm with no added costs.** The cost will vary depending upon the class.

Each day will feature an enrichment class, and students will also participate in aftercare either before or after their class, depending on the day's schedule. This format allows us to offer some of our most popular classes—which typically have waitlists—to more students.

The price for the **Extended Enrichment** option will fall between the cost of a single enrichment class and full aftercare, making it a good value for families looking for a longer day that includes both structured learning and time to unwind. We're committed to keeping costs reasonable while covering the quality instruction and extended care your children receive.

Please note: These classes will only be available as part of the **Extended Enrichment** program and will not be offered separately this season.

We hope this new option meets the needs of families looking for more flexibility and depth in their child's afterschool experience. As always, we welcome your feedback and are happy to answer any questions.

Mondays (13 Sessions):

Gymnastics

Grades K - 3

Gymnastics is a sport of movement & skill. It builds strength, improves agility & develops overall balance and control. Action-packed with exciting skills to learn and movement routines that motivate and challenge! The coaches will assign students to groups according to age and ability. Class warms up with lively music, next we condition with cross mat tumbling (no waiting in lines!) Then our gymnasts are led through an obstacle course of Gymnastic & Circus skills as they master the challenges in their paths; all while having TREMENDOUS AMOUNTS OF FUN!

Teachers: Gymstars Class fee: \$860

Ninja Parkour

Grades K - 3

Kids learn the basics of parkour, including rolling, jumping & vaulting. The class program is focused on developing strength, agility, balance, conditioning and confidence in children of all levels. The coaches assign students to groups according to age and ability. Weekly classes led by our professional coaches and training on level appropriate obstacles gives every child a chance to learn, grow and succeed.

Teachers: Gymstars Class fee: \$775

Tuesdays (12 Sessions):

Basketball for Grades 2 - 5

Students will receive instructional basketball lessons covering dribbling, passing, shooting, and defense. This structured program is designed to develop fundamental basketball skills in an engaging and supportive environment. The first half of each class will focus on skill development and technique, while the second half will provide an opportunity to apply those skills through fun, game-based play. The class will be split into two levels so that beginners can build confidence while more experienced players are challenged appropriately.

Teachers: Dave Desrouleaux, Dolores De Los Santos, & Vagia Karamitrou Class Fee: \$620

Wednesdays (13 Sessions):

Flag Football for Grades 3 - 5

Students will practice the fundamentals of Flag Football: passing, catching, running, including strategies such as designing plays and running routes. Classes will include fun and safe games of Flag Football while building the important skills of sportsmanship and respect. The class will be split into two levels so that beginners can build confidence while more experienced players are challenged appropriately. Players will also learn how to communicate effectively with teammates and make quick decisions on the field. No prior experience is necessary—just a willingness to try, play hard, and have fun!

Teachers: Gilbert Center & Charles “Moose” Mussa Class Fee: \$660

Thursdays (12 Sessions):

Basketball for Grades K & 1

In this fun and active class, students will build coordination and confidence through beginner basketball skills like bouncing, catching, passing, and aiming for the basket. We'll play movement games and simple team activities that help kids learn how to follow directions, take turns, and work together. Each session ends with a short game and a chance to celebrate what we've learned together. This class is all about movement, teamwork, and having fun!

Teachers: Dave Desrouleaux & Vagia Karamitrou Class Fee: \$615

Fridays (12 Sessions):

New Kids Tennis for Grades K - 5

New Kids Tennis is a relatively new USTA-sanctioned format that helps children learn and play the game of tennis. To make it easier for them a few things have changed -- the court size, the racquet sizes, the tennis balls, the scoring system and the height of the net. This means that more children will have the opportunity to experience the game, have fun playing with their friends and develop the skills that will become the foundation of their game. COACH Quennie will assign students to groups according to age and ability.

Teachers: New Kids Tennis Class fee: \$880

Full School Year Music Programs

PS58 is pleased to offer two comprehensive after school music programs: Anselmo Academy and Ezra Guitar. Both programs are long standing partners at our school, and current and former families are happy to share the wonderful experiences their children have had with both programs. Many students go on to play in prestigious programs in both middle and high school. Please be aware these programs are a full-year commitment. Payment plan options are available upon registration. Carroll Kids will provide "Bridge the Gap" coverage before lessons.

Anselmo Academy Group Piano Lessons

PS58 is very fortunate to host the Anselmo Academy for an 18th year of afterschool programming!

Group Lessons: Piano is taught once a week in small groups of 4 students based on grade and experience levels. Group classes run Monday through Friday in 40-minute time slots. In these group classes children learn Music and Piano skills, note reading and writing, rhythm and ear training, keyboard skills and Music Theory and History in a friendly, motivational environment.

At the time of registration you may indicate via email to carrollkids@ps58pta.org your preferences for the time slot, and we will do our best to accommodate, but we cannot guarantee specific days or time slots until all students are placed. The schedule may not be finalized until a week before classes begin. Obviously, if your student cannot attend the time slot assigned, you will be given a full refund.

Piano Lessons run through the end of the school year Monday through Friday on days we have enrichment classes (See [our calendar](#) for days with no class). Lessons begin Mon, Sept 8. Anselmo Academy hosts a formal recital for all students in the spring. 1st Session: 2:45pm to 3:25pm; 2nd Session: 3:30pm to 4:10pm; 3rd Session: 4:15pm to 4:55pm.

Mondays: 33 Lessons; Class Fee: \$1726 (24 spots available)
Tuesdays: 34 Lessons; Class Fee: \$1778 (12 spots available)
Wednesdays: 34 Lessons; Class Fee: \$1778 (24 spots available)
Thursdays: 31 Lessons; Class Fee: \$1623 (12 spots available)
Fridays: 30 Lessons; Class Fee: \$1571 (12 spots available)

Grades K, 1, 2, 3, 4, 5. Option for payment plan is available at registration (\$150 deposit + 4 payments on 9/15, 10/15, 11/15 and 12/15. Children in the 2nd & 3rd lessons may attend aftercare at no additional cost until their classes begin. Students will need to purchase the necessary piano books after being assigned to an instructor.

For questions about the piano program, please contact Senior Brooklyn Manager for Anselmo Academy, Erick Eiser at: Erick Eiser erickeisermusic@gmail.com or visit <https://www.anselmoacademy.org/>.

Note: Piano is a full year music program. We are not able to offer refunds or credits midyear.

EzraGuitar Group Guitar Lessons

Established in 2008, EzraGuitar is a guitar program designed to give kids the opportunity to study with some of the greatest classical guitarists of this generation, while using a method of learning designed especially for them. Our group classes are the core of the EzraGuitar method. These classes are built on the philosophy of Maoz Ezra, that music should be taught in the "language of children" and tailored to their natural abilities. By studying with this method and philosophy, it is our goal that children will connect to music making in a natural and organic way. Through creative games and ensemble work, children will leave each lesson with a sense of accomplishment and musical knowledge that will remain with them as a foundation for any future musical endeavors. We have been at partner at PS 58 for more than 15 years! Learn more about Ezra Guitar by [clicking here](#).

EzraGuitar Kids Group Guitar Lessons (Grades K-5)

- We teach small group lessons for children in grades K- 5 (kids are grouped according to age & level, the course is cumulative.)
- Melody & Rhythm: through a mix of repertoire including, classical, folk, children's songs, rock, jazz, contemporary and original compositions, students will learn to play music, not only exercises.
- Reading music: Through our unique method children will learn to recognize, know and master the notes in a range of four octaves.
- Ensemble work: From the beginning children will be learning to play in an ensemble. This group work puts emphasis on listening with sensitivity and working together.
- Performance: At the end of each session, students will perform in a concert. Performance is a major part of studying music, it teaches the student about building self confidence and the joy of sharing music.

Teachers: Classes are taught by the world class faculty of EzraGuitar!

Class fee: \$1291 (full-year tuition for 29 lessons). Classes on Thursdays. 1st Session: 2:45pm to 3:25pm; 2nd Session: 3:30pm to 4:10pm; 3rd Session: 4:15pm to 4:55pm. Grades K, 1, 2, 3, 4, 5. Option for payment plan is available at registration (\$150 deposit + 4 payments on 9/15, 10/15, 11/15 and 12/15. Children in the 2nd & 3rd lessons may attend aftercare at no additional cost until their classes begin. Please note that students will be scheduled by EzraGuitar into class times that are appropriate for their age and level. 36 spots available. *Please note: guitar lessons are a full-year commitment. Fees are non-refundable.*

FOR ALL EzraGuitar Classes:

Students will need their own guitar for class. EzraGuitar has for purchase a full line of high-quality guitars that are sized especially for children. They offer unique return policies and upgrade services and starter kit packages special for students. To order instruments, call, come into the shop or place your order directly online at www.ezraguitar.com. Phone: 718-434-2103, address: 785 Coney Island Ave, Brooklyn, NY 11218. Guitars will be delivered, free of charge, to kids on the first day of class! Students will need an appropriately sized nylon string classical guitar. Please consult with Ezra before purchasing an instrument on your own.

If you would like to have a free trial lesson and/or get sized for your guitar over the summer, please contact EzraGuitar @ 718-434-2103 or info@ezraguitar.com. Website: <https://www.ezraguitar.com/>

Bridge the Gap Care

For classes with delayed start times – including Kung Fu, Capoeira, Piano, The Great Kids' Bakeoff and Guitar – we offer "Bridge the Gap" care. Students placed in classes that have a delayed start time (i.e. don't begin right at dismissal) will be automatically accepted in our Carroll Kids "Bridge the Gap" program for no additional cost. "Bridge the Gap" includes arts, crafts & games in the cafeteria. This care is ONLY for the time before a lesson or class. If you need coverage AFTER the class, we offer the option of "LATE" Carroll Kids care for an additional fee.

Enrichment Class Policies

Registration Fee

There is an annual non-refundable registration fee of \$25 per family, which covers your child for the entire school year (including camps) or any portion thereof. This is an administrative fee for the Carroll Kids Enrichment and Aftercare Classes to cover the cost of our software program. It does not cover, nor can it be applied to, the program fee. This is a one-time yearly fee per family and covers all enrollments including enrichment classes, music program and aftercare.

Refund Policy

Please see the third page of this guide for full details.

Behavior Issues

We reserve the right to expel any student who continually disrupts a class. In this event, we will refund any missed classes in full.

Payment Plans

We offer payment plans through Sawyer for classes over \$400. These do have a surcharge of 2%. Full year music programs will have payments on 9/15, 10/15, 11/15 and 12/15. Full year academic programs (chess & French will have three payments on 9/15, 12/15 & 3/15). Enrichment classes will have 2 payments with half due at enrollment and half due on 9/15.

Financial Aid

Financial aid is available, and all applications are confidential. [Click here](#) for our financial aid policy. Please submit your completed application with required documentation as soon as possible. To apply, please fill out [this form](#).

Class Minimum & Wait Lists

Classes must reach a minimum of six students to run. The determination about whether the class will run will be made the first week of the session. In the event that a class is canceled due to low enrollment, students may receive a credit toward a spot in a class with space or receive a full refund. If a class fills and goes to a waitlist, students on the waitlist will be registered automatically should a spot become available. You are not obligated to take the spot and a refund will be given if you don't accept the spot. The software system maintains a list of students in the order in which the registration was received. If you don't receive a spot, you will be given priority to register during the next session if the class is offered.

Fall 2025 Enrichment Class Dates

Mondays (13 Sessions)

September 8, 15, 22, 29

October 6, 27 (No School Oct 13, 20)

November 3, 10, 17, 24

December 1, 8, 15

Tuesdays (12 Sessions)

September 9, 16, 30 (No School Sept 23)

October 7, 14, 21, 28

November 18, 25 (No School Nov 4, 11)

December 2, 9, 16

Wednesdays (13 Sessions)

September 10, 17 (No School Sept 24)

October 1, 8, 15, 22, 29

November 5, 12, 19 (No class Nov 26)

December 3, 10, 17

Thursdays (12 Sessions)

September 11, 18, 25

October 9, 16, 23, 30 (No School Oct 2)

November 13, 20 (No class Nov 6; No School Nov 27)

December 4, 11, 18

Fridays (12 Sessions)

September 12, 19, 26

October 3, 10, 17 (No classes Oct 24, 31)

November 7, 14, 21 (No School Nov 28)

December 5, 12, 19

[Quick Glance Grid by Day & Grade](#)

Mondays - 13 Sessions

Acting & Scene Writing

This class is a deep dive into the world of character creation, acting, and playwriting!

Student-artists will create their own original characters in the form of Character Profiles. We will then use these characters as created and inhabited by the student-artists as a jumping off point to generate our own original story and scenes. They will be introduced to the fundamentals of storytelling and play structure in the form of want, conflict and resolution. This class will culminate in a presentation of scenes in which students will read aloud for a live audience!

Teacher: Molly Carden. Grades: 3/4/5. Class fee: \$580

Cartoon Lab with Kasey for Grades 3/4/5

Is your kid bursting with stories to tell and characters to create? In this super fun, hands-on class, they'll learn how to bring their ideas to life with a real, working artist! From dynamic drawings to crafting compelling stories, students will explore both the art and writing of comics—learning the fundamentals and then pushing their creativity to the max. Whether they want to design their own superheroes, tell epic adventures, or create hilarious mini-comics, this class is all about imagination, self-expression, and storytelling. And the best part? Their final comics will be printed in a real, bound class comic book—something they can keep forever! No experience needed. Students can design either by hand drawing or with Ipads we provide. Just bring your creativity and get ready to have a blast!

Teacher: Kasey Sanchez. Grades: 3/4/5. Class fee: \$690

Chess for Grades 3, 4 & 5

Welcome to our advanced chess class, specially designed for students who have already mastered the basics and are ready to elevate their chess skills to the next level! In this dynamic program, participants will delve deeper into advanced tactics, strategic planning, and opening principles, honing their decision-making abilities and understanding of complex chess positions. With guidance from an experienced chess coach, students will engage in competitive games, analyze matches, and participate in challenging chess puzzles, empowering them to become formidable players and strategic thinkers in the fascinating world of chess. Join us for a journey of chess mastery and intellectual growth! The class is divided into a short lesson, free play, and a tournament.

Teacher: Ready, Set, Chess! Grades 3/4/5. Class fee: \$380

★ Chess Team Jr for Grades 1 & 2 [Full Year Program]

In this **year-long** fun and friendly class, students will dive into the exciting world of chess through hands-on lessons and playful chess-themed activities. Along the way, they'll boost their brainpower—building focus, sharpening problem-solving skills, and learning to think ahead like a true chess master! Led by *Ready, Set, Chess*, our PS58 chess-in-the-classroom program creates a warm, welcoming space where beginners can discover the joy of the game. Each session includes a quick lesson, time to play with friends, and even a mini tournament to test out new moves. It's the perfect mix of learning, playing, and a little friendly competition—all year long!

Teacher: Ready, Set, Chess! Grades: 1/2. Class fee: \$1,195 (3 Payments: 9/15, 12/15 & 3/15).

(Mondays - 13 Sessions)

Doll Making & Sewing for Grades 2 - 5

Let's learn together how to make your very own doll! We will learn fun and creative skills: designing, stitching and embroidery as well as customizing a beautiful fabric doll, her wardrobe and accessories. Each student will be able to take home the doll and creations made during class.

Sewing supplies, fabrics and materials will be provided. *Class ends at 4:30pm*

Teacher: Pauline Suchon. Grades: 2/3/4/5. Class fee: \$745

Filmmaking & Screenwriting

Young screenwriters work under the guidance of a professional screenwriter in the style of Writopia's creative writing workshops. Screenplays or pilots are devised, developed, and polished over the course of the workshops. Writers will also delve into film and TV show analysis with screenplay excerpts and explore the ways in which acting, production, and directing all influence the choices one makes when crafting a script. All finished screenplays result in a table read.

Teacher: Writopia. Grades 3/4/5. Class Fee: \$705

French Foundations

The primary objective for this program is to increase students' vocabulary in French. The secondary objective aims at building upon a student's overall language structure and enhancing their receptive/expressive language skills in French. Each class will be built around a thematic unit belonging to a developmentally appropriate curriculum. Thematic units/topics include but are not limited to the following: a) animals, b) transportation, and c) body parts. Each unit and/or theme will include objectives and will be taught by Jennifer, who will present lesson plans in a creative manner. Each class will have five different activities around Games, Story Telling, Songs, and Art.

Teacher: Jennifer Mazigh. Grades: K/1. Class Fee: \$470

★Gymnastics (Extended Enrichment)

Grades K - 3

Extended Enrichment Program (2:30pm to 5:30pm) - See pg 5

Teachers: Gymstars Class fee: \$860

Hip Hop Dance for Grades K/1/2

Hip-hop dance is a vibrant form of dance that combines a variety of freestyle movements to create a cultural piece of art. Children will learn different styles and choreography, while having fun and dancing to their favorite songs!

Teacher: Rafael Santana. Grades K/1/2. Class fee: \$310

Kitchen Chemistry

Get ready to mix, munch, and learn! In this fun and hands-on class, we'll dive into the science of food and chemistry through edible experiments, tasty recipes, and exciting activities. Along the way, we'll explore nutrition, discover how ingredients interact, and uncover the secrets behind what we eat—all while having a blast in the kitchen!

Teacher: Curated Care. Grades K/1/2. Class fee: \$560

(Mondays - 13 Sessions)

Kung Fu

Are you looking for a martial art that emphasizes discipline, self-improvement, and has a rich cultural history? Look no further than Wu GungTao Kung Fu—a traditional Chinese martial art practiced for centuries to develop both physical and mental strength. In this class, students will learn foundational techniques such as kicks, punches, and blocks, all in a respectful and supportive environment led by an experienced instructor. Through the practice of *forms* (sequences of movements), students will also build focus, discipline, and self-awareness, while exploring the philosophy and history behind this ancient practice.

Grades K–1 and Grades 1–2:

These sessions follow a standard, once-per-week format ideal for beginners. Students will be introduced to basic techniques and foundational principles at a steady and engaging pace.

Grades 3–5:

This level introduces more advanced techniques and requires greater focus and physical coordination. To support real progress and skill advancement, the instructor strongly recommends enrolling in both the Monday and Tuesday sessions. Attending both days ensures consistent training, deeper understanding, and the opportunity to develop more challenging skills.

Throughout the course, students will set personal goals and work closely with the instructor to meet them—building confidence, resilience, and a lifelong appreciation for martial arts.

Note: First session: Grades K/1. Second session: Grades 1/2. Third session: Grades 3/4/5. (1st Session: 2:45pm - 3:35pm; 2nd Session: 3:45pm - 4:35pm; 3rd Session: 4:40 - 5:30pm). Children in the later sessions may attend free "Bridge the Gap" care until their classes begin.

Teacher: Derrick Whitlow II. Grades: K - 5. Class fee: \$320

Little Makers Club

Good Crafternoon offerings include hand knitting, macramé, simple weaving, paper arts, polymer clay sculpture, printmaking and any crafts the community shows an interest in. The mission of the class is process over product, community over competition, skill over perfection, learning over consumption. The idea is that we take joy and pride in the practice of learning a new skill and we support others in this endeavor as well.

Teacher: Jessie Wayburn. Grades: K/1/2. Class Fee: \$665

★Mission to the Stars: Rocketry

Welcome to the thrilling world of Rocketry! Join MakeInspires for an immersive journey into the captivating history and awe-inspiring science behind rockets. Through hand-on projects, participants will unravel the principles of propulsion, aerodynamics, and space travel. Through interactive demonstrations and hands-on experiments, young space enthusiasts will construct and launch their rockets, applying newfound knowledge to achieve soaring success. Encouraging their curiosity and appreciation for space exploration, this Rocketry class promises an engaging experience that will inspire and lift their aspirations to the stars.

Teacher: MakeInspires Grades: K/1/2 Class Fee: \$610

(Mondays - 13 Sessions)

★Multi Sport Mania

Get ready to play with Multi Sport Mania, an action-packed class held right in the school yard! We'll explore age-appropriate sports like T-ball, creative tag games, exciting relay races, and even beginner soccer drills. Your child will develop new skills, get tons of exercise, and make new friends while having a blast outdoors. Join us for an unforgettable season of fun, games, and multi-sport adventure!

Teacher: Albion Soccer. Grades: K/1 & 2/3 (two groups). Class Fee:\$560

Ninja Parkour (Extended Enrichment)

Grades K - 3

Robot Inventors with the Robot Foundry for Grades 3, 4, & 5

Robot Inventors is an advanced version of our signature after school class. It's great for new builders, as well as those seeking a more open-ended robot-building experience. A new project will be introduced each week, as part of the overall theme. This is considered an inquiry-based class, with ample space for experimentation. Students may choose to stick with the week's scripted project, or they can take their own path, taking a hand at turning their ideas into a reality. At the start of each class, students will be introduced to components and engineering concepts, and they'll review all the parts in their individual RoboKits. Our amazing teachers will then guide the students through building their own super cool robots.

Teacher: Brooklyn Robot Foundry. Grades: 3/4/5. Class fee: \$620

★Tap and Tumbling

Make some noise and move with joy! This upbeat Tap & Tumbling class puts the spotlight on tap dancing—where kids will shuffle, stomp, and tap their way through rhythms and routines that build coordination, timing, and confidence. Each week, dancers will explore the basics of tap in a playful, energetic setting, using their feet like instruments to create sounds and patterns. Then it's time to roll into tumbling fun—where we stretch, balance, and learn beginner acro moves that help build strength and flexibility. Perfect for kids who love to move and make music with their feet, this class brings rhythm, creativity, and plenty of smiles to every step!

Teacher: Tamia Santana Grades: K/1 Class fee: \$545

Tuesdays - 12 Sessions

Acting Lab for Grades 3, 4 & 5

This class will be a deep-dive into being an actor! We will use a combination of acting exercises, improvisation, and theater games to build an ensemble and get comfortable being free in front of an audience. Through a combination of script work and improv, student-artists will become familiar with the fundamentals of acting: being in the moment, objective/want, conflict, and obstacles.

Acting Lab will culminate in a presentation of improvised and scripted scenes for a live audience!

Teacher: Molly Carden. Grades: 3/4/5. Class fee: \$340

★ **Albion Soccer**

Discover the **ALBION JUNIORS** soccer program, where your child will build essential technical skills in a fun and supportive environment. Our curriculum follows U.S. Soccer Federation guidelines, ensuring a progressive path for both new and experienced young players. Watch your child develop crucial coordination, master ball skills, and excel in 1v1 situations. Join us to foster a love for the game and become part of a vibrant soccer community!

Teacher: Albion Soccer. Grades K - 3. Class fee: \$515

Arabic with Hanaa

Embark on a captivating journey into the world of Arabic with our interactive and fun-filled beginning Arabic class for kids! Through engaging games, colorful visuals, and simple conversations, children will develop a strong foundation in Arabic letters, sounds, and basic vocabulary, fostering a love for language learning that will last a lifetime. Join us and start your Arabic adventure today!

Teachers: Hanaa Fahmy. Grades: K/1/2. Class fee: \$250.

Arts & Crafts for Grades K & 1

Love Art? Love Crafts? Then this class is for you !! We will get creative doing many art projects geared for the young budding artist. We will make fun projects like design a tooth fairy pillow, make puppets, paint a ceramic bank, decorate treasure boxes, make a sensory bottle and so much more!!! We'll even end the semester with a small party! So come join the fun !!!!

Teacher: Josephine Lucci & Montie Hamilton. Grades: K/1. Class fee: \$455

★ **Basketball for Grades 2 to 5 (Extended Enrichment)**

Extended Enrichment Program (2:30pm to 5:30pm) - See pg 5 for full details

Teachers: Dave Desrouleaux & Vagia Karamitrou Class Fee: \$620

Bestie Bracelets: Craft & Connect

Join us for a fun and colorful bracelet-making class where we'll dive into the art of crafting friendship bracelets! Inspired by the popular Taylor Swift trend, participants will learn to make vibrant designs that are perfect for sharing with friends. We'll explore a variety of knotting techniques, color patterns, and charms to create unique pieces that match your style. Bring a friend and get ready to make memories with bracelets that celebrate friendship and creativity!

Teacher: Zoe Rosen. Grades: 2/3/4/5. Class fee: \$420

(Tuesdays - 12 Sessions)

Book Club for Grades K, 1 & 2

Designed for young and emerging readers, our after-school Book Club helps children fall in love with books from the very beginning. Through story telling and picture book adventures, students will engage with stories in a fun and supportive environment. Each session includes interactive discussions and hands-on activities that nurture imagination and build early literacy skills. Whether they're just learning to sound out words or starting to read on their own, this club helps children grow as confident, curious readers.

Teacher: Eunick Gilles. Grades: K/1/2. Class fee: \$345

★ Chess for K

Journey into Chesslandia, where we use the power of story combined with exciting mini-games to improve your child's understanding of our favorite game! Our open-level classes will challenge your child where they're at while providing excellent opportunities to play with their peers and practice everything from strategic thinking, to patience, to sportsmanship!

Teacher: Story Time Chess Grade: K Class fee: \$560

Chess for Grades 1 & 2

Discover the captivating world of chess in our engaging class designed specifically for students in grades 1 and 2! Through interactive lessons and fun chess-themed activities, young learners will develop critical thinking skills, improve concentration, and enhance problem-solving abilities while exploring the strategic moves of this timeless game. Led by Ready, Set, Chess, our PS58 chess-in-the-classroom program, this class provides a supportive environment for beginners to cultivate their passion for chess, fostering a love for learning and friendly competition that will last a lifetime. The class is divided into a short lesson, free play, and a tournament.

Teacher: Ready, Set, Chess Grades: 1/2. Class fee: \$355

Fencing

Welcome to our fencing class, where young adventurers and aspiring swordsmen and women can learn the art of fencing! Our program is designed to introduce children to the fascinating world of fencing, combining fun and fitness with the development of skills and values. Each session begins with a warm-up, ensuring the young fencers are ready to engage in the physical demands of the sport. Afterward, our experienced fencing instructors lead the participants through a series of interactive drills, games, and exercises that focus on building fundamental techniques specific to foil fencing.

Teacher: Lili Ann Jankowski & Mary Pfiefer. Grades: 3/4/5. Class fee: \$335

(Tuesdays - 12 Sessions)

French for Native Speakers with EFNY for Grades K to 5 [Full Year Class]

Petits Francophones K-1st – This is a class conducted entirely in French and is for students in Kindergarten and 1st grade who are native French speakers and fluent in French (niveau GS/CP). The children will build French reading and writing skills, including phonetics, spelling simple words and reading simple sentences. Our teachers use varied age-appropriate activities including stories, creative projects, songs and games.

Moyens/Grands Francophones 2nd to 5th graders – This class is open to students who are truly fluent in French, and focuses on oral and written expression, grammar and spelling. In this class, all activities are conducted in French. The child reads texts and consolidates its bases in grammar, spelling, conjugation and vocabulary. Students will start writing short varied texts.

Teacher: [EFNY Instructors](#). Four classes: K, Gr 1, Gr 2 and Gr 3/4/5. EFNY will be a full school year class starting this fall. Class fee: \$1830 (payment options available). Class ends at 4:30pm*

Girls on the Run for Grades 3, 4 & 5

Girls on the Run inspires girls to define their lives on their own terms, make new friends, build confidence, and celebrate all that makes them unique. They get a better understanding of who they are and what's important to them, the value of teamwork and healthy relationships, and how they can positively connect with and shape the world. Trained coaches use a research-based curriculum to teach lessons through discussion, activities and running games. Girls meet twice a week on Tuesdays & Thursdays. The season concludes with a 5k run/walk that every girl in the program successfully completes. The fall season features a brand new version of the curriculum! Students must register on the GOTR non-profit site and pay a registration fee each season (a sliding scale is available) to GOTR **before start of classes**. Class ends at 4:30pm.

Teachers: Sarah Przedborski & Sophia Yarosh. Grades: 3/4/5. Price is \$755 (Carroll Kids) + GOTR registration fee (paid separately on [GOTR website](#); ranges from \$0 - \$375 based on income) for a total of \$755 - \$1130 based on income. The 5K event is on Sunday, December 7 on Randall's Island at Icahn Stadium. Please note this class is two days per week and is priced accordingly. Class ends at 4:30pm.

★ Graphic Novel and Manga Creation

Love graphic novels, comics, or manga? In this awesome art class, you'll get to create your own characters, stories, and worlds inspired by your favorite books and series. Learn real drawing and design techniques to bring your ideas to life—just like the pros! From sketching action scenes to designing cool covers and writing storylines, you'll build your own unique art while leveling up your creative skills. Whether you're into superheroes, fantasy adventures, or hilarious comics, this class is your chance to turn your imagination into epic artwork!

Teacher: Curated Care Grades:3/4/5 Class Fee:\$515

Junior Acting Lab: Enchanted Kingdoms

Step into a world of dragons, castles, talking animals, and magical lands! In this playful and imaginative theater class, young actors will explore the foundations of storytelling through immersive drama, movement, and creative play. As we journey through enchanted kingdoms, young actors will bring stories to life while building early literacy skills, confidence, and collaboration—all through the magic of theater. Perfect for curious minds and big imaginations!

Teacher: Brooklyn Acting Lab. Grades: K/1. Class Fee: \$660

(Tuesdays - 12 Sessions)

Kung Fu

Are you looking for a martial art that emphasizes discipline, self-improvement, and has a rich cultural history? Look no further than Wu GungTao Kung Fu—a traditional Chinese martial art practiced for centuries to develop both physical and mental strength. In this class, students will learn foundational techniques such as kicks, punches, and blocks, all in a respectful and supportive environment led by an experienced instructor. Through the practice of *forms* (sequences of movements), students will also build focus, discipline, and self-awareness, while exploring the philosophy and history behind this ancient practice.

Grades K–1 and Grades 1–2:

These sessions follow a standard, once-per-week format ideal for beginners. Students will be introduced to basic techniques and foundational principles at a steady and engaging pace.

Grades 3–5:

This level introduces more advanced techniques and requires greater focus and physical coordination. To support real progress and skill advancement, the instructor strongly recommends enrolling in both the Monday and Tuesday sessions. Attending both days ensures consistent training, deeper understanding, and the opportunity to develop more challenging skills.

Throughout the course, students will set personal goals and work closely with the instructor to meet them—building confidence, resilience, and a lifelong appreciation for martial arts.

Note: First session: Grades K/1. Second session: Grades 1/2. Third session: Grades 3/4/5. (1st Session: 2:45pm - 3:35pm; 2nd Session: 3:45pm - 4:35pm; 3rd Session: 4:40 - 5:30pm). Children in the later sessions may attend free "Bridge the Gap" care until their classes begin.

Teacher: Derrick Whitlow II. Grades: K - 5. Class fee: \$305

Mad Science presents Crazy Chemworks

Come and spark imaginative learning with some Mad chemistry. Watch as we combine elements and make them fizz, crackle and change color! We'll delve into molecules and chemical reactions that produce light, gas and even slime. Some of the weekly topics in this session include : Lab Works, Junior Reactors, p.H. Phactor, Slime Time, The Glow Show, Dry Ice Capades, Icky Sticky Stuff, Chemistry Corner, The Mystery of Chem and Kitchen Chemistry.

Teacher: Mad Science. Grades:K/1/2 . Class fee: \$600

★Mini Music Makers

Join us for a playful and creative introduction to the world of music. Through hands-on activities like instrument making, imaginative improvisation, and rhythm-filled games, students will explore the joy of making music in a fun and supportive environment. Perfect for budding musicians, this class helps develop listening skills, coordination, and confidence—all while having a blast.

Teacher: Curated Care Grades: K/1. Class fee: \$515

(Tuesdays - 12 Sessions)

Online Comic Creation: Design, Write & Publish Your Own Comics

Love comics but prefer creating digitally? In Online Comic Creation, students will use Pixton, a super fun and easy-to-use online platform, to design characters, build scenes, and bring their own stories to life—no drawing skills needed! With a huge library of art assets at their fingertips, kids can focus on storytelling, humor, and creative expression while learning the fundamentals of comic-making. From silly jokes to epic adventures, they'll craft their own unique comics and share them with the class. Perfect for kids who love graphic novels, storytelling, or just want to try something new—no experience needed, just bring your imagination!

Teacher: Gilbert Center. Grades: 3/4/5. Class fee: \$285

Piano [Full Year Program]

See page 7 for full details

Grades K - 5

Teacher: Anselmo Academy. Class fee: \$1778

PS 58 Chorus

PS 58 is delighted to announce a new choir for students in grades 2-5! In our weekly rehearsals, children will get a chance to explore their voices, learn new music, and grow their community through music. Co-led by music educator and performer Ali Dineen, and PS 58 music teacher extraordinaire Sarah Alden, students will learn songs from around the world, including music from the U.S. folk tradition, Georgian healing songs, Greek polyphonic music, Chilean folk songs, and more. Through learning these songs, we will also explore some of the histories of these places and cultures, as well as the basic music theory behind each harmonic tradition, their differences and similarities. While the chorus will cover challenging material, it is primarily a space for children to learn and explore through singing music in various languages and styles, and have fun experimenting with their voices in a group setting.

Teacher: Ali Dineen & Sarah Alden. Grades: 2/3/4/5. Class fee:\$320

The Great Kids Bake-off

Together, the students and I will recreate the famous British Bake-Off. I will instruct and help prepare a special dessert each week, and the students will receive a recipe, cookbook, and chef's hat to take home. Who will win THE KIDS GREAT BAKE-OFF? Our instructor Chef Camillo has 35 years of experience as a chef, competed on the cooking tv show "Chopped," and taught cooking/worked as a chef at prestigious institutions across NYC including Sur La Table and The Kabbalah Center. Session 1: Grades 1 & 2 (2:25pm to 4pm). Session 2: Grades 3,4 & 5 (4:05pm to 5:25pm; students may attend free "Bridge the Gap" program before their class begins)

Teacher: Chef Camillo. Grades: 1/2/3/4/5 (two sessions). Class fee: \$695

(Tuesdays - 12 Sessions)

★3D Printing & Design

This course gives students the skills they need to create their own 3D-printed models using design thinking! The basics of 3D design & printing are explored by modeling a house from the ground up – anything from a modern home to a lunar dwelling – applying math, science, art, and technology skills along the way. They'll have fun building on their skills week-after-week by creating products, toys, and models that challenge them to think outside of the box. We give opportunities in this course for students to design anything that they can dream up, from their favorite video games characters, to a functional tablet stand, the sky is the limit. This course is a great introduction into the world of 3D printing from design to fabrication and can be taken multiple times with a mix of new projects and revised builds each semester. **Materials fee covers one take-home 3D print for every two classes.**

Teacher: Makeinspires Grade:3/4/5. Class fee: \$515.00

★The STEM Future is Female

A recent study shows that by age 6, kids already think of boys as being better than girls at computer science and engineering. Among girls, such beliefs grow more pronounced over time. This class will begin introducing the girls to the tools they will need to smash those preconceived notions by developing two vital STEM skill sets: typing and coding. The students will become comfortable with the QWERTY keyboard and work on improving their typing accuracy and speed through a series of fun, gamified challenges, as well as learning the basics of coding in an engaging, structured, and age-appropriate way. ***To create the most supportive possible space for the students, we ask that only students identifying as female sign up for this class.***

Teacher: Dan Lupkin. Grades: 2/3/4/5. Class fee: \$360.00

Tiny House Studio (Formerly Dreamhouse)

In this engaging and creative course, students will transform a blank canvas into a personalized miniature world. This hands-on class will guide students through the entire process of creating an intricately detailed dollhouse, from conceptual design to the finishing touches. Each student will start with an empty wooden dollhouse, learning essential techniques for assembly and modification. Through sketching and planning, they will develop a vision for the layout and aesthetic of their miniature home, considering factors such as architecture and color schemes. This course is ideal for students of all skill levels who are passionate about art and design. By the end of the class, participants will leave with a beautifully designed and furnished dollhouse that reflects their unique vision and creativity.

Teacher: Michele Lazar & Shenandoah Ferreira. Grades: 2/3/4. Class fee: \$485

Wednesdays - 13 Sessions

★Artful Pages: Exploring Art Through a Sketchbook

In this hands-on class, students will use sketchbooks to explore drawing, mark-making, and mixed media. Each week, they'll try different tools and materials—like pencils, paint, stamps, and collage—to experiment and create in fun, open-ended ways. The focus is on creativity, not perfection. Kids will learn to express ideas visually, build confidence in their art, and enjoy the process of making.

Teachers: Michele Lazar & Shenandoah Ferreira. Grades: 2/3/4. Class fee: \$440.

Bakers & Pastries for Grades K & 1

This class provides students with the fundamentals of baking and pastry techniques. Students will be able to read recipes, bake, and use their creativity to decorate their treats. Important Note: Some recipes may contain wheat, nuts, eggs, dairy, and other allergens. No food allergies or dietary restrictions, please. *Class ends at 4:30pm*

Teachers: Connie Ponsiglione and Juliette Internicola. Grades: K/1. Class fee: \$545

Beginning Violin for Grades K - 3 (TWO SESSIONS)

An introduction to violin and the fundamentals of music. Students will learn violin through beginning Suzuki repertoire in an exciting and inspiring environment that focuses on musicianship and having fun. Singing and games will help establish an enjoyable environment where each child's innate musical ability is at work from the very first stages of learning about the violin. The class is designed to build musical abilities while focusing on cooperation, interdependence, confidence, and teamwork. Rentals available from Shar Music: <https://www.sharmusic.com/> or from Johnson Strings: <https://www.johnsonstring.com/rental/>

Session 1 for complete beginners: 2:25pm to 4pm. **Session 2** for students from last session or with previous experience: 4:05pm to 5:25pm; students may attend free "Bridge the Gap" program before their class begins for Session 2.

Teacher: James Ilgenfritz. Grades: K/1/2/3. Class fee: \$470

Bit Bots with Koko NYC

Bitbots is a world where children get to bring their ideas to life by combining creative building with simple electronics. Each week, your KoKo teaching artist will bring in a new theme or challenge to spark imagination and inventive thought. Then, using primarily recycled materials, students will spend the class building their ideas to create off-the-wall sculptures and inventions. As the class progresses, your teaching artist will introduce simple electronic components such as LED lights and hobby motors to help students bring their creations to life. Through this process, children will learn to build based on brainstorming and creative thought, practice persistence in the face of failure (not all inventions turn out as expected) and exercise problem-solving skills by using unorthodox materials.

Teacher: Koko NYC. Grade: K/1/2. Class Fee: \$585

(Wednesdays - 13 Sessions)

Board Game Club for Grades 3, 4 & 5

Do you love playing board games with your friends and family? In Board Game Club you will get to learn to play different strategy and classic board games! We will learn the rules to various games and have time to explore and play them. Children will have time to strategize and socialize with their peers as they play. Games will include but are not limited to Ticket to Ride, Carcassonne, Settlers of Catan, and Blokus.

Teacher: Zoe Rosen. Grades: 3/4/5. Class limited to six students. Class fee: \$385

★ Chess Gr 1 & 2

Discover the captivating world of chess in our engaging class designed specifically for students in grades 1 and 2! Through interactive lessons and fun chess-themed activities, young learners will develop critical thinking skills, improve concentration, and enhance problem-solving abilities while exploring the strategic moves of this timeless game. Led by Ready, Set, Chess, our PS58 chess-in-the-classroom program, this class provides a supportive environment for beginners to cultivate their passion for chess, fostering a love for learning and friendly competition that will last a lifetime. The class is divided into a short lesson, free play, and a tournament.

Teacher: Ready, Set, Chess Grades: 1/2. Class fee: \$380

Circus Skills Class

Led by three professional circus arts youth educators, Bindlestiff instructors lead the class in a mix of social-emotional learning games and conversations oriented around Circus After School values: Lifelong Learning; Safety; Commitment; Practice; Collaboration. Compassion; Respect; Trustworthiness; Choice; Empowerment. These concepts underlay how we interact with youth, with each other, and your school. With these principles in mind, circus skills learning becomes a metaphor for life's successes and challenges. Our format is: circle / check-in; value discussion; game; warm up; skill 1; game; skill 2; self-assessment; closing circle. The students will learn juggling with balls, scarves, and rings; prop manipulation including diabolos, poi, flower sticks, plate spinning; stilt walking, clown, improv, and physical comedy; stilts; basic partner acro; act creation in solo, duo, and ensemble forms, more!

Teacher: Bindlestiff's Cirkus After School. Grades: 3/4/5. Class fee: \$505

★ Flag Football (Extended Enrichment)

Grades 3 to 5

Extended Enrichment Program (2:30pm to 5:30pm) - See pg 5 for full details

Teachers: Gilbert Center & Charles "Moose" Mussa Class Fee: \$660

French Lego Building Club

Students will engage in a brainstorming session in French to explore potential Lego projects. Following this, they will work on their chosen projects either individually or in groups. Throughout the process, the teacher will supervise, providing challenges and feedback in French. Upon completion of their projects, students will present them in a show-and-tell format, explaining their creations in French. They will receive guidance on presentation skills and will be encouraged to ask and answer questions in French during the presentations.

Teacher: Sylvie Arnaud. Grades: 1/2/3. Class Fee: \$355

(Wednesdays - 13 Sessions)

French Theater with EFNY (Le Français Par Le Théâtre)

Le français par le théâtre (K & 1st grade) This class is open to students who are fluent in French and is an introduction to theater through storytelling exercises and guided improvisations, allowing the children to practice the French language from the very start of the creative process. Each week the students exchange ideas to co-create a story, develop its characters and build its plot thereby strengthening their verbal skills and vocabulary in the French language.

Le français par le théâtre (2nd to 5th grade) This class is open to students who are fluent in French. Students will learn how to express themselves in public in French. This class is ideal for those looking to improve their verbal expression. Fluent or advanced French speakers are welcome. Language skills will be developed throughout the course.

Teacher: EFNY. 2 classes: Gr: K/1/2 and Gr 3/4/5. Class Fee:\$710

Girls Lacrosse for Grades 3 to 5

Get acquainted with the game of lacrosse and learn basic skills in an engaging and fast-paced program. Players will be introduced to team concepts but individual skills are the real focus -- throwing, catching, cradling, dodging and shooting. We also emphasize sportsmanship, fair play, and the traditions of lacrosse.

Teachers: Lili Ann Jankowski and Mary Pfeifer. Grades: 3/4/5. Class Fee: \$415

Hip Hop Dance for Grades K/1/2

Hip-hop dance is a vibrant form of dance that combines a variety of freestyle movements to create a cultural piece of art. Children will learn different styles and choreography, while having fun and dancing to their favorite songs!

Teacher: Raphael S. Grades K/1/2. Class fee: \$310

Junior Acting Lab: Magic School Mayhem

Wands at the ready—something strange is happening at the School of Sorcery and Shenanigans! In this imaginative theater class, young actors become wizards, shapeshifters, and potion-makers navigating magical mix-ups, runaway creatures, and enchanted mysteries. Through improvisation, character creation, and collaborative storytelling, students will bring their magical world to life while building confidence, creativity, and early literacy skills. Get ready for a spellbinding adventure full of fun, friendship, and a little bit of mayhem!

Teacher: Brooklyn Acting Lab. Grades: 1, 2 & 3. Class Fee:\$635

Kickboxing & Boxing

Looking for a way to boost your child's confidence and fitness levels? Our class with Adriana is the perfect solution! This high-energy program combines fun fitness with the fundamentals of kickboxing & boxing, helping students build strength, coordination, and confidence. In a supportive and engaging environment, students will learn basic punches and kicks, practice self-defense techniques, and enjoy dynamic workouts that improve agility and endurance. Each class is designed to be interactive and fun, incorporating challenges that keep kids motivated while promoting teamwork and discipline. Note: Students will get to keep their boxing gloves.

Teacher: Adriana Zito Grades: 3,4 & 5. Class Fee: \$850

(Wednesdays - 13 Sessions)

★ **KidzArchitects: Master Builders**

At KidzArchitects, curious minds dive deeper into the built environment by exploring how cities and spaces are designed – and how they could be reimaged. Through hands-on projects and collaborative challenges, children unlock their creative and analytical skills.

They analyze real spaces, sketch their ideas, and recreate iconic buildings from around the globe.

They work in teams to prototype their own dream cities, schools, or eco-neighborhoods.

They begin to read simple architectural plans, grasp the concept of scale, and link environmental needs with construction choices. Step by step, they learn how to express their ideas through drawings, models, and teamwork – turning imagination into real, tangible creations.

Teacher: KidzArchitects Grades: 3,4 & 5 Class Fee: \$530

Little Explorers for Grades K & 1

In this fun and exciting class, young scientists will discover how everyday items can be made to behave in strange and unusual ways. As a group we will discuss how science is all around us and in our everyday lives. We will be doing simple science experiments that are completely safe and hands-on. Some of the experiments include “Blow Up a Balloon”; “Jelly Bean Experiment”, “Lava Lamps”, “Elephant’s Toothpaste” and so much more! Put on your thinking caps and come join the fun!

Teachers: Josephine Lucci & Montie Hamilton. Grades: K/1. Class fee: \$485

Needlepoint & Cross Stitch for Grades 3, 4 & 5

Needle Art is one of the easiest crafts to learn and kids will create cool projects. Needlepoint is the art of pulling a needle, threaded with yarn through a canvas in order to create a gorgeous design.

Threads used to needlepoint can be cotton, wool or any other type of fiber. Canvas used in needlepoint is selected from a variety of mesh sizes and styles.

Teacher: Hanaa Fahmy. Grades: 3/4/5. Class Fee: \$365

Photography for Grades 3, 4 & 5

Photography is the art of capturing light and telling stories. It is a great way for kids to tap into their imaginations and get creative. In this introductory class, students will learn all about the camera, the different styles of photography, shutter speed, aperture (F-stop) and ISO, the 3 essentials of photography. We will explore our beautiful Brooklyn neighborhood through the lens and apply all the cool techniques they can use to create dynamic images. Then, students will learn the post production process (editing), choose their favorite image to print and frame to take home. DSLR cameras (digital single lens reflex) and SD cards are provided to the students for use during class.

Teacher: Kristen Markoplis. Grades: 3/4/5. Class fee: \$825

Piano [Full Year Program]

See page 7 for full details

Grades K - 5

Teacher: Anselmo Academy. Class fee: \$1778

(Wednesdays - 13 Sessions)

Sewing for Beginners

Join our sewing class where we blend machine sewing and hand stitching to create fabulous projects! From crafting stylish bags and headbands to designing adorable plushie toys and skirts, young seamsters will unleash their creativity and master essential sewing skills. Get ready for a stitch-tastic adventure filled with fun, flair, and plenty of fabric fun! Sewing supplies, fabrics and materials will be provided. *Class ends at 4:30pm*

Teacher: Pauline Suchon. Grades: 2/3/4/5. Class fee: \$645

Yoga with Talia for Grades K & 1

This creative, nurturing class introduces children to the practice of yoga. Through movement games, art projects, stories, songs and laughter, students explore how their bodies move, build strength and coordination, and learn tools for focus and self-regulation. Poses, breathing exercises and simple meditation practices help children gain self-awareness in a fun and age-appropriate way. Each class finishes with relaxation -- something the kids come to look forward to!

Teacher: Talia Weisz. Grades: K/1. Class Fee: \$470

Thursdays - 12 Sessions

Advanced String Ensemble with Sarah Alden for Grades 4 & 5

Our advanced ensemble is tailored for fourth and fifth graders with a passion for music and a strong foundation in string instruments! In this challenging and enriching program, students will refine their playing techniques and delve into more complex musical pieces, fostering their artistic expression and musicality. Through collaborative rehearsals and performances, participants will thrive in a supportive and inspiring environment, honing their skills to achieve new heights of musical excellence. Class is for students previously enrolled in orchestra or with approval from Ms. Alden.

Teacher: Sarah Alden. Grade: 4 & 5. Class fee: \$295

★ **Albion Soccer**

Discover the **ALBION JUNIORS** soccer program, where your child will build essential technical skills in a fun and supportive environment. Our curriculum follows U.S. Soccer Federation guidelines, ensuring a progressive path for both new and experienced young players. Watch your child develop crucial coordination, master ball skills, and excel in 1v1 situations. Join us to foster a love for the game and become part of a vibrant soccer community!

Teacher: Albion Soccer Grades K - 3. Class fee: \$515

Basketball (Extended Enrichment)

Grades K & 1

Extended Enrichment Program (2:30pm to 5:30pm) - See pg 5 for full details

Teachers: Dave Desrouleaux & Vagia Karamitrou Class Fee: \$615

Board Game Club for Grades 3, 4 & 5

Do you love playing board games with your friends and family? In Board Game Club you will get to learn to play different strategy and classic board games! We will learn the rules to various games and have time to explore and play them. Children will have time to strategize and socialize with their peers as they play. Games will include but are not limited to Ticket to Ride, Carcassonne, Settlers of Catan, and Blokus.

Teacher: Zoe Rosen. Grades: 3/4/5. Class limited to six students. Class fee: \$365.

★ **Book Club for Grades 3, 4 & 5**

Our after-school Book Club invites young readers to dive into captivating stories, spark their imaginations, and share the joy of books with friends. Each week, students will explore exciting tales, take part in fun discussions, and enjoy creative activities that bring stories to life. In a warm, supportive environment, they'll build reading confidence, expand their vocabulary, and strengthen critical thinking skills—all while having fun. Whether your child is a passionate reader or just beginning their journey, this club nurtures a lifelong love for books.

Teacher: Eunick Gilles. Grades: 3/4/5. Class fee: \$345

(Thursdays - 12 Sessions)

★ Chess Gr 1 & 2

Discover the captivating world of chess in our engaging class designed specifically for students in grades 1 and 2! Through interactive lessons and fun chess-themed activities, young learners will develop critical thinking skills, improve concentration, and enhance problem-solving abilities while exploring the strategic moves of this timeless game. Led by Ready, Set, Chess, our PS58 chess-in-the-classroom program, this class provides a supportive environment for beginners to cultivate their passion for chess, fostering a love for learning and friendly competition that will last a lifetime. The class is divided into a short lesson, free play, and a tournament.

Teacher: Ready, Set, Chess Grades: 1/2. Class fee: \$355

★ Crochet and Knitting

In this serene and joyful craft class, children will embark on a delightful journey into the world of crochet. They'll begin by mastering essential techniques, laying the foundation for unique handmade creations. As they progress, they'll dive into the enchanting art of crochet, choosing their own projects—whether it's designing adorable small animals, pretend play foods like croissants or sushi, or colorful wall art featuring flowers. With just one hook and a ball of cotton yarn in the colors of their choice, children will experience the magic of transforming simple materials into cherished treasures. This art is easy to learn, wonderfully portable, and ideal for little hands to explore. Each stitch builds not only a project, but also focus, pride, and manual dexterity. Join us for a tranquil and fun adventure where creativity blossoms and every child leaves with something they made from scratch.

Teacher: Pauline Suchon Grades: 2/3/4/5 Class fee: \$515

Dances of India

In this class, dancers will learn about Indian culture through dance. Dancers will be exposed to and taught two popular dances of India: Bollywood and Bhangra. They will learn the origins, their influences on today's Hip Hop and music, purpose and of course, the moves of these two dances! The class will end with a celebration of a performance for families and friends.

Note: Fall Session is open to all levels and students

Teachers: Shveta Dogra & Lili Ann Jankowski. Grades: 4/5. Class fee:\$600

Ezra Guitar [Full Year Program]

See page 7 for full details

Grades K - 5

Teacher: Ezra Guitar. Class fee: \$1381 (31 Lessons)

(Thursdays - 12 Sessions)

★ **French for Anglophones [Full Year Program]**

This year-long course is designed for children who already have basic verbal and comprehension skills in French. Building on that foundation, students will strengthen their understanding of spoken and written French through a dynamic and engaging curriculum tailored for young learners.

Through a variety of playful and interactive activities, students will expand their vocabulary, improve sentence structure, and gain confidence in using French in everyday situations. The emphasis is on practical language use, active participation, and developing fluency in a supportive, fun environment. Students in both the DLP & general ed are encouraged to join.

Teacher: EFNY Grades: 2, 3 & 4. Class fee: \$1650 (3 Payments: 9/15, 12/15 & 3/15).

French Storytelling with Jennifer Mazigh

As a French teacher, incorporating sessions where I read French stories to your children will be incredibly beneficial and so much fun! This practice will immerse them in the language, enhancing their vocabulary & understanding of grammar in a natural and engaging way. Additionally, it will improve their listening skills and comprehension, fostering a deeper love for reading. By exposing them to diverse French stories, we can also broaden their cultural horizons, making learning French a more enjoyable & enriching experience!

En tant que professeur de français, intégrer des sessions où je lis des histoires en français à vos enfants sera incroyablement bénéfique et tellement amusant ! Cette pratique les plongera dans la langue, améliorant leur vocabulaire et leur compréhension de la grammaire de manière naturelle et engageante. De plus, cela améliorera leurs capacités d'écoute et de compréhension, favorisant ainsi un amour plus profond pour la lecture. En les exposant à diverses histoires françaises, nous pouvons également élargir leurs horizons culturels, faisant de l'apprentissage du français une expérience plus agréable et enrichissante !

Teacher: Jennifer Mazigh. Grades: K/1. Class limited to 8 students. Class Fee: \$435.

French Writing with Ms. Sylvie for Grades 2 & 3

This after school French program will focus on helping DLP Anglophones develop their speaking/comprehension, reading, and writing skills in French through interactive and recreational activities so that they can gain confidence and fully participate in class activities. (Francophones should check out the French EFNY classes)

Teacher: Sylvie Arnaud. Grades: 2/3. Class limited to 8 students. Class Fee: \$320.

(Thursdays - 12 Sessions)

Girls on the Run for Grades 3, 4 & 5

Girls on the Run inspires girls to define their lives on their own terms, make new friends, build confidence, and celebrate all that makes them unique. They get a better understanding of who they are and what's important to them, the value of teamwork and healthy relationships, and how they can positively connect with and shape the world. Trained coaches use a research-based curriculum to teach lessons through discussion, activities and running games. Girls meet twice a week on Tuesdays & Thursdays (must attend both days). The season concludes with a 5k run/walk that every girl in the program successfully completes. The fall season features a brand new version of the curriculum so students can take the class again! Students must register on the GOTR non-profit site and pay a registration fee of \$375 (per season; sliding scale available) to GOTR before the start of classes. Class ends at 4:30pm.

Teachers: Sarah Przedborski & Sophia Yarosh. Grades: 3/4/5. Total price is \$755 (Carroll Kids) + up to \$375 for GOTR registration (paid separately on [GOTR website](#); sliding scale available) for a total of \$1130. The 5K event is on Sunday, December 7 at Icahn Stadium on Randall's Island. Please note this class is two days per week and is priced accordingly. Class ends at 4:30pm.

★Handball with Dolores

In this exciting and active Handball class designed for Kindergarten, 1st, and 2nd grade students, beginners will learn the fundamentals of one of the world's fastest-paced team sports! Handball combines elements of basketball, soccer, and netball, offering a fun and engaging way to build physical fitness, coordination, and teamwork. Young players will be introduced to the basic rules, skills, and strategies of the game—such as passing, dribbling, shooting, and simple defensive play—through age-appropriate drills, small-sided games, and cooperative activities. This class emphasizes hand-eye coordination, agility, and spatial awareness in a supportive and inclusive environment where no prior experience is needed—just enthusiasm and a willingness to play!

Teacher: Dolores DeLosSantos Grades: K/1/2. Class fee: \$415

Inventing with Minecraft

Calling all young adventurers and Minecraft enthusiasts! Get ready for a workshop that combines the magic of Minecraft with the thrill of coding. In this exciting class, your child will not only dive into the world of Minecraft but also learn the art of modding in Minecraft Education. They'll become creators, using their coding skills to craft custom creations that are uniquely their own. It's the perfect opportunity for your elementary school student to embark on a journey of problem-solving and creativity with Minecraft.

Teacher: Kodely. Grades: 2/3/4. Class fee: \$535

Mad Science presents Crazy Chemworks

Come and spark imaginative learning with some Mad chemistry. Watch as we combine elements and make them fizz, crackle and change color! We'll delve into molecules and chemical reactions that produce light, gas and even slime. Some of the weekly topics in this session include : Lab Works, Junior Reactors, p.H. Phactor, Slime Time, The Glow Show, Dry Ice Capades, Icky Sticky Stuff, Chemistry Corner, The Mystery of Chem and Kitchen Chemistry.

Teacher: Mad Science. Grades:K/1/2 . Class fee: \$600

(Thursdays - 12 Sessions)

Magic Arts

Brooklyn Magic Shop Magic Arts Program is designed to inspire and grow children's magical interests and curiosities about magic. Magic students will explore and learn age-appropriate fun magical prop making, character development, improvisation, performance, acting, and the importance of using the imagination. Magic students will learn important foundations in close-up magic using everyday objects, cards, and magical props, as well as how to use misdirection with a little sleight-of-hand. Students will be able to confidently perform magic routines using all of the concepts learned, and at the end of the sessions, they will take the stage for their very own optional student magic showcase. The magical arts program is great for students who want to explore the art of magic or want to continue to grow and foster their current skills and interests. The magic learned is different for each series of classes, so students who continue with the magic program are able to learn new magic. All props are included, and students take them home at the end of each series of classes.

Personal Benefits: Promotes safe and friendly social interactions, collaboration, creativity, respect, Social Emotional Learning, and leadership. Builds confidence and independence, fine motor skills, magic skills, presentation skills, observation skills, crafting/building skills, artistic skills, critical thinking, and deductive reasoning skills.

Teacher: Brooklyn Magic Shop/Daniel Morales. Grades: K/1/2/3. Class fee:\$565

Make & Play for Grades 1 & 2

In Make & Play, children are invited to explore their creativity in a fun and engaging environment. This class offers a unique blend of hands-on crafting and imaginative play. Kids will have the freedom to choose from a variety of materials to create whatever they envision—whether it's building structures, designing art, or crafting toys. After their creative projects, they'll enjoy some time for open-ended play, allowing their imaginations to run wild. Make & Play encourages self-expression, problem-solving, and collaboration, all while having fun in a supportive and inspiring space.

Teacher:Shenandoah Ferreira & Mary Pfeifer. Grades: 1/2. Class fee: \$440.

★Math Play Explorers

This engaging and multisensory program immerses young mathematicians in hands-on math activities and games. Kids will have loads of fun exploring foundational mathematical concepts such as number operations, geometry, logic and measurement. Together, we'll build critical thinking skills and problem solving skills, and help to develop an early love for math.

Teacher: [Brooklyn Play 2 Learn](#). Grades: K/1. Class fee: \$680

Piano [Full Year Program]

See page 7 for full details

Grades K - 5

Teacher: Anselmo Academy. Class fee: \$1623 (31 Lessons)

(Thursdays - 12 Sessions)

Robot Building with the Robot Foundry for Grades 1 & 2

Students are introduced to the wonders of engineering and creativity through hands-on building. Each class features a specific project. Teachers will lead children through the lesson, introducing them to engineering components, circuitry, and building techniques. Each child will build, and take home, their own project each class. Trial and error and failure are essential parts of the process. The teachers will work with them to understand the problem and how to fix it. It is this deeper understanding that will empower children to not only mend their robots in the future, but also to take them apart and build something brand new. Art and creativity are a significant portion of the curriculum. Students will be encouraged to design their robots as individually as possible, with ample decorating time included in the schedule. While each class has a specific project, children are always encouraged to go off script and make it their own!

Teacher: Brooklyn Robot Foundry. Grades: 1/2. Class fee: \$613

★Sculpture

In this hands-on sculpture class, young artists will explore the elements of form, space, texture, and color while building imaginative three-dimensional creations. Students develop problem-solving skills as they respond to the unique qualities of each material. Scribbled is committed to providing an authentic art-making experience through well-trained instructors, developmentally appropriate projects, and the finest materials—plus exciting new tools thoughtfully tested by our teaching team. This class encourages bold experimentation and supports each student in creating work that is uniquely their own.

Teacher: Scribbled Grades:K/1/2 Class fee: \$460

★SHINE Studio: Mindfulness, Movement & Art

This is a creative and empowering afterschool class designed to help students shine from the inside out. Each week combines yoga-inspired movement, calming mindfulness practices, and expressive art projects to support emotional well-being, confidence, and self-awareness. Students will explore themes such as self-expression and belonging while working in their own personalized SHINE Journals, filled with prompts, sketch space, and reflections. Art activities may include self-portraits, mandalas, mood paintings, and affirmation-based crafts that reinforce the tools and themes of the day. This well-rounded experience helps students develop healthy movement habits, emotional regulation skills, and a strong sense of creativity and connection.

Teacher: Deena Gothelf Grades: 2/3/4 Class fee: \$515

(Thursdays - 12 Sessions)

Speech & Debate Club for Grades 4 & 5

Debate is fun, demanding, and rewarding! In this afterschool class, students will learn to speak confidently, build persuasive arguments—and maybe even convince their parents they're right! Debate is a big part of middle and high school, and this class gives students a strong head start. Quiet and shy students are welcome—debate is for everyone! Our team will prepare students to compete as part of the Urban Debate League, where PS 58 will face off against other District 15 schools. With guidance from Marilyn and Chris, students will sharpen their public speaking and critical thinking skills while engaging in friendly, competitive tournaments. Due to high demand, enrollment for this class will be determined by lottery. The lottery helps ensure fair and equitable access for all interested students. **To enter your child in the lottery, please complete [this form](#) before midnight on July 30; students will be notified in time for registration on August 4.** Thank you for your understanding and support as we work together to create a rewarding experience for our students.

Teachers: Chris Cox & Marilyn Bryant. Grades: 4/5. Class fee: \$415.

Stop Motion Animation for Grades 3, 4 & 5

Stop Motion Animation is a creative art class where imagination and hands-on crafting come together! If you love making things and want to bring your own characters and scenes to life, this is the perfect class for you. Using stop motion techniques, we'll turn everyday objects, handmade figures, and crafted backgrounds into animated stories, frame by frame. This class lets young artists explore new ways to tell stories through movement, creativity, and their own unique designs—no drawing required!

Teacher: Kasey Sanchez. Grades: 3/4/5. Class fee: \$595.

Team Handball for Grades 4 & 5

This exciting course introduces fourth and fifth grade students to Team Handball, a dynamic Olympic sport that combines elements of soccer, basketball, hockey, and water polo. Designed specifically for older elementary students, this course focuses on developing essential athletic skills such as throwing, catching, agility, spatial awareness, and teamwork. Players will learn the rules and strategies of the game through active drills, cooperative challenges, and scrimmage play, all in a supportive and energetic environment.

Teachers: Gilbert Center & Charles Mussa. Grades: 4/5. Class fee: \$415

Yoga with Talia for Grades K & 1

This creative, nurturing class introduces children to the practice of yoga. Through movement games, art projects, stories, songs and laughter, students explore how their bodies move, build strength and coordination, and learn tools for focus and self-regulation. Poses, breathing exercises and simple meditation practices help children gain self-awareness in a fun and age-appropriate way. Each class finishes with relaxation -- something the kids come to look forward to!

Teacher: Talia Weisz. Grades: K/1. Class Fee: \$435

Fridays - 12 Sessions

Capoeira with Allied Capoeira Arts Initiative for Grades K to 5

Experience the mesmerizing blend of martial arts, dance, and music with Capoeira! Led by Allied Capoeira Arts, participants will learn the fluid movements, acrobatics, and rhythms that make up this unique Afro-Brazilian art form, promoting physical fitness and cultural appreciation in a dynamic and energetic setting. Get ready to immerse yourself in the rhythmic world of Capoeira and unlock your inner strength and grace! We offer two, 45-minute martial arts classes for Grades K to 2 (2:45pm to 3:30pm) & Grades 3 to 5 (3:35pm to 4:20pm). Advanced children in the second session may attend "Bridge the Gap" at no additional cost until their class begins.

Teacher: Joao De Souza. Grades K/1/2/3/4/5. Class fee: \$435.00

Chess for Grades 1 & 2

Discover the captivating world of chess in our engaging class designed specifically for students in grades 1 and 2! Through interactive lessons and fun chess-themed activities, young learners will develop critical thinking skills, improve concentration, and enhance problem-solving abilities while exploring the strategic moves of this timeless game. Led by Ready, Set, Chess, our PS58 chess-in-the-classroom program, this class provides a supportive environment for beginners to cultivate their passion for chess, fostering a love for learning and friendly competition that will last a lifetime. The class is divided into a short lesson, free play, and a tournament.

Teacher: Ready, Set, Chess! Grades: 1/2. Class fee: \$360.00

★ Chess Team for Grades 3, 4 & 5 [Full Year Program]

Join our year-long after-school chess team class and become part of a dynamic group of young chess enthusiasts. Led by a skilled coach, students will participate in friendly team matches, practice advanced strategies, and engage in tactical exercises to sharpen their skills and foster a spirit of camaraderie. Over the course of the year, students will also compete in weekend tournaments, coordinated and coached by the instructor (dates TBD). This full-year commitment provides a supportive environment to enhance your game, build lasting connections, and cultivate a love for chess in a fun and competitive setting.

Teacher: Ready, Set, Chess! Grades 3/4/5. Class fee: \$1,095.00 (3 Payments: 9/15, 12/15 & 3/15).

★ French Foundations

This French Foundations course focuses on building a strong base in the French language through fun, engaging, and developmentally appropriate lessons. The program is designed to help students expand their French vocabulary, while strengthening overall language structure and developing both receptive (listening and reading) and expressive (speaking and writing) skills.

The class is taught by Madame Jennifer, who brings creativity and energy to her lesson planning. Activities may include short films, games, role-playing, and visual aids to support diverse learning styles. Every unit includes clear learning objectives, giving students a sense of progress and purpose as they build their confidence in French.

Teacher: Jennifer Mazigh Grades 2/3/4/5 Class fee:\$435.00

(Fridays - 12 Sessions)

French Sewing Class

Join our French sewing class where we blend machine sewing and hand stitching to create fabulous projects! From crafting stylish bags and headbands to designing adorable plushie toys and skirts, young seamsters will unleash their creativity and master essential sewing skills. Get ready for a stitch-tastic adventure filled with fun, flair, and plenty of fabric fun! Sewing supplies, fabrics and materials will be provided. This class will be taught in French. *Class ends at 4:30pm*
Teacher: Pauline Suchon. Grades: 2/3/4/5. Class fee: \$525.00

Gardening for Grades 1 & 2

Get ready to have fun, get dirty and help maintain all our PS58 gardens. We will plant, tend and harvest lettuces and herbs. We will learn about our pollinator plants and composting . As community scientists we will explore garden wildlife and uncover plant mysteries! During the colder months, we will do experiments, projects and grow plants in our Wall Farm and in our Hydroponic Classroom!

Teacher: Mary Pfeifer & Lili Ann Jankowski. Grades: 1/2. Class fee: \$435.00

Jewelry Making

Kids will dive into this super fun jewelry-making class where they create sparkly bracelets, necklaces, and rings with colorful beads and stretchy string. They learn how to string beads, tie knots, and use clasps to finish their masterpieces. The class encourages creativity and fine motor skills as children design their unique pieces. Through exciting projects and hands-on activities, kids develop a sense of accomplishment and enjoy sharing their handmade jewelry with friends and family.

Teacher: Dolores & Arianna DeLosSantos. Grades: K/1/2. Class fee: \$435.00

★ KidzArchitects: Tiny Builders

At KidzArchitects, young children embark on a playful and creative journey through the world of architecture and urban design. Our workshops nurture their natural curiosity while introducing them to shapes, spaces, and structures through games, hands-on building, and fun challenges. Children will recreate famous landmarks – from the Eiffel Tower to Big Ben – and imagine their own dream playgrounds, magical castles, or cozy treehouses. They begin to understand key concepts like proportions, materials, light, and wind through storytelling and exploration.

With urban studies, model making, and guided discoveries, kids sharpen their observation skills, experiment with textures and colors, and develop their spatial awareness. Using our KidzArchitects ABCs, they build their first models and discover the wonders of architecture – one block at a time.

Teacher: KidzArchitects Grade: K/1/2 Class fee: \$470.00

LED Circuitry Exploration

Light up your world with creativity and circuits! In this hands-on program, young learners will explore the magic of electricity as they build their own glowing projects. Using copper tape, LED lights, and batteries, students will design everything from shining greeting cards to glowing artwork. Along the way, they'll discover how circuits work and feel the excitement of bringing their ideas to life with light!

Teacher: Kodely. Grades K/1/2. Class fee: \$515.00

(Fridays - 12 Sessions)

Lego Design Thinkers

Embark on a LEGO adventure with our specially designed workshops, perfect for our youngest explorers! Join us as your child's creativity takes flight, one thrilling class at a time. In this imaginative journey, they'll master the art of design thinking, crafting adorable robots, bringing friendly farm animals to life, and designing fantastic buildings. As our young adventurers dive into brainstorming their very own incredible LEGO creations, they'll develop critical design thinking skills. The grand finale? They proudly showcase their masterpieces to their fellow explorers, fostering a sense of teamwork and camaraderie. Don't miss out on this fantastic opportunity to ignite innovation and excitement in your child's life – enroll today for a whirlwind of joy and discovery!

Teacher: Kodely Grades K/1. Class fee: \$515.00

Make a Musical: Wizard of Oz with Child's Play NY

Let's go "Somewhere Over The Rainbow" together in this as we reimagine the classic story. Red-Light-Green-Light takes us through a twister and into incredible lands. Get interviewed in a Munchkin talk-show about your special profession and how you really feel about the Witch. We'll create a new play based on our adventures and sing songs from The Wizard of Oz and Wicked! Led by professionally-trained actors, kids flex their imaginative muscles and learn the basics of vocal warm-ups, character development, singing and choreography. Class culminates in a showcase for families.

Teacher: Child's Play NY. Grades K/1/2. Class fee: \$500.00

Mini Musical: Broadway Bound

Step into the spotlight and discover your inner star! In Broadway Bound, students will explore the magic of musical theater through empowering songs and scenes from Broadway favorites that celebrate confidence, courage, and creativity. Through acting, singing, and movement, young performers will build vocal and stage skills, grow as collaborators, and learn to express themselves with boldness and joy.

Teacher: Brooklyn Acting Lab. Grades: 2/3/4/5. Class Fee: \$660.00

Move & Groove: Dance, Fitness & Fun!

Get ready to shake, spin, and jump your way around the world! In Move & Groove, kids will explore exciting dance styles from places like Africa, Latin America, and beyond, all while staying active, healthy, and having a blast. Each class starts with a fun warm-up, followed by cool stretches and creative movements. From Afro beats to salsa and hip-hop, kids will learn different rhythms and dance moves, all while building strength, flexibility, and coordination. It's the perfect way to let loose, get those wiggles out, and boost your energy for the weekend. So, put on your dancing shoes, and let's dance our way to fitness and fun. Tamia Santana has been teaching in PS 58's after-school enrichment program since 2013!

Teacher: Tamia Santana. Grades: K/1/2. Class fee: \$600.00

★ New Kids Tennis (Extended Enrichment)

Grades K - 5

Extended Enrichment Program (2:30pm to 5:30pm) - See pg 5 for full details

Teachers: New Kids Tennis Class fee: \$880

(Fridays - 12 Sessions)

Teacher: Anselmo Academy. Class fee: \$1571

Puppet Design

Kiddos will explore various types of puppets and puppetry as both a skill and an art form. Focusing on a different type of puppet each week (shadow puppets, sock puppets, finger puppets, marionettes, and more!) students will discover how puppets are made and how they bring stories to life!

Teacher: Curated Care. Grades: 1/2/3. Class fee: \$515.00

Spy Kids for Grades K, 1 & 2

Spy Kids is the ultimate adventure for young detectives ready to put their skills to the test! In this exciting class, your mini Sherlock will dive into the world of espionage, exploring STEM, theater, and design concepts along the way. Through solving challenging puzzles, cracking secret codes, and crafting their own gadgets and disguises, kids will learn teamwork, creativity, and critical thinking—all the essentials of becoming a super spy. Each session is packed with hands-on activities, inspiring young sleuths to think like real-life spies while having fun and making friends!

Teachers: Curated Care. Grades: K/1/2. Class fee: \$515.00

★Video Game Creator: Scratch

Ever dreamed of creating your own video game? MIT's Scratch makes that dream a reality, by providing a drag-and-drop coding language that enables students to create interactive stories and games that are just as fun to make as they are to play. Students learn real-world computer science concepts while honing digital design skills to make characters, scenery, and sounds that bring their games to life. The work that goes into making games rewards students with a collection of homemade video games to share and play with friends and family. **Games will be made public for families weekly to enjoy alongside their maker!**

Teacher: Makeinspires Grade: 3/4/5 Class fee: \$515.00

★Volleyball

This introductory Volleyball class offers students a fun and active way to learn the basics of this popular team sport. Designed with elementary learners in mind, the program focuses on developing fundamental movement and volleyball-specific skills in a supportive, age-appropriate environment. Students will learn key techniques such as passing (bumping), setting, serving, and basic offensive and defensive strategies. Emphasis is placed on teamwork, communication, fair play, and building confidence, while helping students improve their hand-eye coordination, agility, and spatial awareness. Through skill-building drills, cooperative activities, and modified games, students will experience the joy of playing volleyball while developing both individual and group skills. No prior experience is needed—just a willingness to try, move, and have fun!

Teacher: Vagia Karamitrou Grades: 3/4/5 Class fee: \$515.00

Aftercare Policies and Procedures

Aftercare will begin on Monday, September 4 for Kindergarten through Fifth Grade. PreK aftercare will begin on Monday, September 11. Please be aware we will not be able to accept drop-in care for students in enrichment classes on September 4 and 5.

Coverage Options

We offer onsite aftercare from the end of school (2:25pm for most students) until 6:30pm. Students must enroll for a trimester at a time.

Full: End of school until 6:30pm

Early: End of school until 4:15pm

Late: 4:15pm until 6:30pm (aftercare after an enrichment class)

Pick-up procedures

Aftercare students can be picked up at the Carroll Kids desk in the school lobby at any time from 2:50pm to 6:30pm. If you find it difficult to pick up by 6:30pm, feel free to make a private arrangement with one of our counselors. Otherwise, you will be charged a late fee.

To pick-up your child you must check-in at the lobby desk. Counselors will request ID until they recognize you, your neighbors, your sitters, and all others authorized to pick up your child.

Pick-up name changes

We will not release your child to anyone who is not on your Sawyer pick-up list unless we can confirm with you that s/he is an authorized pick-up person. If it's a one-time occurrence you can email us (carolynr@ps58pta.org) in advance. Thank you in advance for keeping us posted!

Private counselor care arrangements

If you plan to have a counselor on your child's dismissal list, you will be asked to sign a waiver. Carroll Kids accepts no responsibility for counselor care arrangements after our program has ended. Please email carrollkids@ps58pta.org to request a waiver form. Please note it is our policy that Carroll Kids Counselors are not allowed to work with PS 58 families during our Aftercare program hours.

Please be prompt

We understand that people occasionally run late, but we ask you to keep in mind that our staff has commitments of its own beyond Carroll Kids. Should you run later than 6:30pm, a late fee of \$10 will be charged until 6:40pm and an additional \$15 until 6:55pm will be billed to your account. This is not an additional service, and unfortunately once the school building is closed your child and our counselor will not be permitted to wait inside the building. We reserve the right to drop students from the program when families exceed 5 latenesses. Late fees must be paid by the end of month.

Absences

Please notify us via email at carolynr@ps58pta.org if your child is going to be absent from our enrichment / afterschool program. When you notify us via email of your child's absence ahead of time (no later than 11am the day of) you allow us a larger window of time to call parents whose children ARE supposed to be with us, but are NOT. Thankfully, most of the time, we find that an absent child is exactly where he or she is supposed to be, but for safety's sake, we will never assume it is so. Hopefully, if you think of it this way, you will always remember to notify Carroll Kids when your child is going to be absent.

Schedule changes

For aftercare, we request that you honor your enrollment registration for the session (Fall/Winter/Spring). Every student must register again for aftercare each session even if their schedule remains the same. Please register during the registration period before a session begins so we can have our rosters ready for the first day of each session. Registration requests after each session begins will be considered on a space available basis. Days and grades do fill up.

Health and Medical

Allergies and other medical conditions

There is a section in the online registration form that asks about allergies and other medical conditions. Please provide as much information as we need to care for your child. Most often, families of children with SEVERE allergies or special dietary needs provide an alternate snack from home. We encourage parents of children whose needs require special attention or understanding to speak with us directly about his/her needs. We cannot stress enough how important it is that this information is shared with staff.

Minor injuries and illness

Our counselors provide routine treatment (cleaning, bandaging, and ice-packs) when necessary. We are also very fortunate to have our staff nurse on site until 5:30pm most days. Injuries other than minor scrapes and bruises get reported to our office staff, who will let you know by phone during the afternoon. If the office is unable to reach a parent, we will let you know in person at dismissal time. We will call right away if your child has a fever or informs a counselor that they are not feeling well.

Lost & found

Please label ALL of your child's belongings; there are no cubbies in aftercare. Check the lost and found for any missing belongings.

The PTA Carroll Kids Afterschool Program is not responsible for the loss, breakage, damage, or theft of personal property, including, but not limited to, electronics and musical instruments.

Behavior policy

Please take the time to remind your child that Carroll Kids is a place for all to have fun and that those children who treat others, whether staff or another child, in a way that the senior staff deems disrespectful or otherwise inappropriate, will be suspended or even withdrawn from the program if the problems persist. Carroll Kids will not be responsible for loss of/damage to personal property brought to Afterschool.

Inclement weather (unplanned closings)

Carroll Kids will always be closed when the public schools are closed for inclement weather. There are also days when the schools are open but the Department of Education closes all buildings at 3pm. On those days, we have no choice but to close Carroll Kids.

In the event we are forced to close, we will post an announcement on ps58brooklyn.org and send an email to parents and guardians.

Drop-in aftercare

Families who are registered with Carroll Kids, may enroll on a drop-in basis. You **MUST** pre-register to take advantage of Drop-Ins. Your account must be created at least 7 days in advance of your first Drop-In. We highly recommend setting this up at the beginning of the school year.

Drop-ins are available to families if there is space in our Aftercare program. Requests need to be made by email to carolynR@ps58pta.org at least 24 hours in advance. Please include your child's full name, classroom and the date you need childcare. For Mondays, please notify us by Friday. Once a Drop-in reservation is confirmed, it may not be cancelled. Drop-ins are \$69 per day per child for grades K – 5 and \$75 per day for PreK. Drop-ins are a full-day option only (school dismissal until LAST PICK-UP @ 6:30pm).

Need to contact us?

To report an absence, change a pickup name, or for general inquiries, please email carrollkids@ps58pta.org or call 718-330-9322 x1001. We're always happy to help!
