

Dear PS 58 PreK Families -

We will be moving the PreK aftercare registration to Friday, August 15 at 10am. It will be first come, first serve. We have 15 spots available for the early session with pick up at 4:15pm. We have 20 spots available for the full afternoon session with last pick up at 6:30pm. If your child is placed in the annex, we do include the walkover from the annex to the main building. The first day of PreK aftercare is Thursday, September 11 on the first full day of PreK.

We would like to get a sense of the needs of our community in advance of registration. If you can, please fill out our survey, by [clicking here](#). Filling out the survey is not the same as registering and does not guarantee your child a spot. Please be sure to register on Friday, August 15 at 10am.

We do recommend having a back up plan for aftercare as spots in our PreK program are limited.

Please email us at carrollkids@ps58pta.org if you have any questions.

Sincerely,
Your Carroll Kids Team
